

# LBC 1251/00 Stand Adaptor

To mount column loudspeakers on the LBC 1250/00 floor stand, the LBC 1251/00 Stand Adaptor is available. This die-cast aluminum extension piece has two threaded mounting holes:

- A 1/2" Whitworth thread to match the floor stand
- A 3/8" Whitworth thread for use with smaller loudspeakers on microphone stands

It is used in combination with part of the LBC 1252/00 Wall Mounting Bracket. It provides a lockable swivel joint for directing sound, and a mounting flange for attaching loudspeakers.
